Arguments for attacking from (or elsewhere:  
Kulakov...)

of someone who advertised attacking  
drag

— ~~not~~ <sup>exp</sup> one who  
has not been reported or admitted

error (Cheng, Bush (Bisfield?) (Hilly? King?  
Pace; Faith; Adeline; Lily; <sup>Chadler</sup>  
shouldn't be listed to at all)

(on a subject of foreign policy;  
certainly not an attacking argument)

if they're reported — as I did in VN —  
listen carefully, skeptically — look for a  
new record...
